

# IDPH FAST PHACT

## FEATURING

### “Measles and Tuberculosis Preparedness for Clinicians”

**May 15, 2025**  
**12 p.m. – 1 p.m. (CST)**

Join us for a series of clinician-directed interactive info-sessions in an office hours format targeted towards raising timely awareness of emerging and high-impact public health issues that directly involve clinical care or health system considerations. All health care professionals are invited to participate.

**Experts from IDPH and other agencies will discuss and present on 1 to 2 topics each session with a forum for addressing questions around clinician roles in these situations from triage and testing to reporting and prevention considerations.**

#### Learning objectives:

- Overview of updated IDPH advisories and resources for clinicians on measles assessment, testing, and reporting.
- Increase awareness of TB cases and updates for Illinois.
- Explore how schools and clinicians can partner on public health responses (Spotlight on Lake County Health Department).

Continuing Medical Education Credit is Available.

The Illinois Department of Public Health (IDPH), Medical Services Division is authorized to offer formal programs of continuing medical education (CME) to Illinois physicians licensed under (225 ILCS 60/) the Medical Practice Act of 1987. The formal programs must comply with the criteria in subsection (c)(3) of 68 Illinois Administrative Code, Section 1285.110 and all other criteria in this section.

“This course may be used for Illinois Registered Nurse re-licensure in 2025. Each licensee is responsible for maintaining records of completion of continuing education and shall be prepared to produce the records if requested by the Illinois Department of Financial and Professional Regulation.
